OVERCOMING CHALLENGES FOR A BETTER FUTURE

2026

ANNUAL REPORT

PRINCIPAL'S REPORT

We are a Faith Based Catholic School. Enrollment is steady and diverse, with representation throughout the Metro-Omaha area. The average class size is 15 students.

90% of our students are proficient readers by the end of 3rd grade. Star Scores are increasing in the areas of Math and Reading.

Half of our teaching staff hold a Master's Degree. To increase their faith, all of our teachers are participating in the THE BIBLE TIMELINE, the story of salvation.

Our students engage in a Buddy Program between grades to build community.

We have developed a true MTSS (Multi-tiered system of support). We work with Omaha Public Schools to house Speech and Title 1 teachers on site. We have hired a guidance counselor who is here Tuesdays and Thursdays. We are proud that we can work with students to help them achieve their best academically and behaviorally.

KEY FINANCIAL DATA

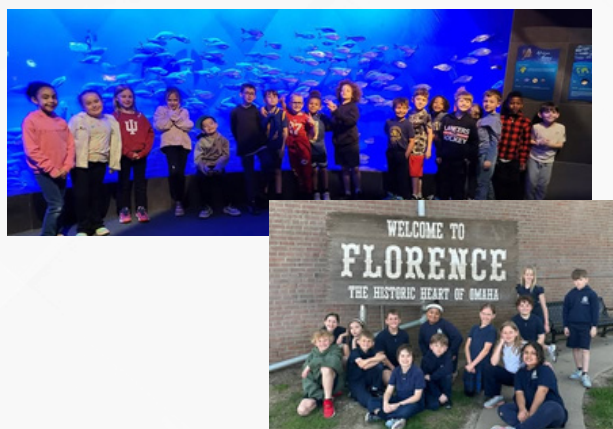

The St. Philip Neri staff strives to make a quality, Catholic education available to everyone. Thanks to generous donors and available scholarships, St. Philip Neri distributed \$167,148 in financial aid last year, to 56.6% of enrolled families. The school is also incredibly grateful for the extremely generous subsidy from St. Philip Neri – Blessed Sacrament parish, without which the school would be unable to operate. We are thankful for the many sacrifices made by our parents, faculty, and parishioners that allow us to bring our students closer to our Lord.
